## BIO

---

Passionate storyteller with strong leadership. He graduated with honors with a Bachelor's degree in Communication with a major in filmmaking. He has worked in the audiovisual industry for over 9 years, in addition to directing his own film and theater projects. He completed a Masters in Filmmaking with a specialization in Directing Fiction at Goldsmiths University in London, England and is looking for a position that will allow him to further develop his skills as an industry professional, combining his experience in the planning, development and production of projects with his training and artistic sensibility.
